Commercial Loan Officer

Build relationships. Make an impact. Grow your career.

Farmers Bank of Kansas City is seeking a motivated Loan Officer to develop new business, manage customer relationships, and provide lending solutions for consumer, commercial, real estate, and small business customers. This role is ideal for someone who enjoys business development, financial analysis, and helping customers achieve their goals.

Responsibilities

- Develop new lending relationships and grow an existing loan portfolio.
- Analyze financial information and evaluate loan requests.
- Structure and originate consumer, commercial, real estate, and SBA loans.
- Build strong customer relationships through exceptional service and ongoing portfolio management.
- Represent the bank within the community and participate in business development activities.
- Ensure compliance with bank policies and regulatory requirements.

Qualifications

- Bachelor's degree in Business, Finance, Accounting, or related field preferred.
- Previous lending experience preferred.
- Strong relationship-building, sales, and communication skills.
- Ability to analyze financial statements and make sound credit decisions.
- Strong organizational skills and attention to detail.

Why Farmers Bank?

We offer a competitive benefits package including Paid Vacation and Personal time, Health and Life Insurance, and 401(k)/Profit Sharing. Join a community-focused bank where your work directly impacts customers, businesses, and the communities we serve.

Farmers Bank of Kansas City is an Equal Opportunity Employer/Veterans/Disabled.
